About the artistry of C. Nicholas Johnson,

Nicholas Johnson's accomplishments as a director and performer in mime and movement theater are impressive. His work projects the values which exist beyond the words and his love for mime and dance theatre becomes visible in his creative, inspiring and powerful works. In Nicholas Johnson's choreography the art of dance and mime theatre coexist in harmony with subtle beauty and power. A gifted and skillful teacher, Nicholas Johnson's goal is not only to develop deeper awareness of the art but also an understanding of the need to combine rigorous technique with organic, motivated human experience.
